750ml

Torbato is also a marvelous surprise as a Metodo Classico. In addition to the magical match of varietal and terroir, the Torbato grapes harvested early in September keep their precious acidic backbone, an essential feature to cope with the extensive ageing on the lees. A distinctively floral nose, with hints of hawthorn and orange blossom. In the mouth, the bead is fine and lively, the flavors are ample, clear-cut and assertive, the finish is harmonious and coherent, firm and vertical.
